

Pack Druk, Torun, Poland

Welcomes in the New Year with the Installation of an
Eagle Systems Cold Foil on their Komori LS40

Marek Uszok- President Pack Druk & Mike King- Pres. / CEO Eagle Systems

After a small test job 2 days after install Marek Uszok states, "We are ready with our first cold foil job to run this month. We are going to run a 200,000 sheet job."

This company has several hot foil stamping machines and sees cold foil as another added value to be able to offer. "The Pack Druk team of professionals was one of the most eager to teach groups that I have ever trained," stated King!

We Welcome Pack Druk to our Eagle Family
